REQUEST FOR REPUBLICATION DUE TO USPTO ERROR UNDER 37 CFR 1.221(b)

Sir:

Applicants hereby request republication of the above-identified patent application as there is an error in claim 1. Specifically, the equation (1) in claim 1 should read as follows:

$$1.4 \leq (R_{rcts}/R_{ucts}) \leq 4.0$$

instead of

$$1.4 \leq (R_{rcts}/R_{ucts}) \geq 4.0$$

as published. This error is due to a USPTO clerical error as the equation was shown correctly in the application as filed and as verified in PAIR. This error is material as it is in a claim and would affect the public's ability to determine the scope of the provisional rights that applicants would seek to enforce upon issuance. This request is being timely filed as it is within 2 months of the publication date of April 14, 2005.

As this is due to a USPTO error, no fee is due. However, the undersigned authorizes any fees which may be required, or credit any overpayment to Deposit Account No. 05-0150.

Date: 5/19/05
